

For information

Business License Exemption

The College of Alberta Denturists exists so that Albertans may be assured of receiving professional, safe and ethical denturist services. The College is governed by the *Health Professions Act* (HPA). The *Denturists Profession Regulation* was proclaimed under the HPA on September 1, 2002.

In regard to business licenses, section 101 of the HPA states

Municipal, settlement licence exemption

101 No municipality or Metis settlement has the power to require

- (a) a regulated member to obtain a licence from the municipality or Metis settlement to practise a regulated profession, or
- (b) a professional corporation, a business corporation or a partnership owned by regulated members to obtain a licence from the municipality or Metis settlement to practise a regulated profession.

RSA 2000 cH-7 s101;2016 c9 s5

As such, regulated members of the College of Alberta Denturists are exempt from paying for a business license in any municipality in Alberta. This applies to all regulated health professions in Alberta.
